### **Synopsis**

**FISHTRONAUT** (52 x 11') or (26 x 30') – An enviro-friendly animated mystery series, where our secret agent “FISHTRONAUT” goes on slimy, furry and gooey adventures with his best friends, gal pal Marina and Zeek, a tween-age monkey. Kids are encouraged to engage interactively by tapping and clapping along with FISHTRONAUT and friends. Clapping and tapping together opens up a secret P.O.P. (the Primary Objective Pod) to reveal secret clues and fun facts about the world that coincides with the series storylines. Targeting 3 to 6 year-olds, the series explores the world’s many mysteries above and below water in a unique and entertaining way. Produced by TV PinGuim in association with Discovery Kids.
